Dear Mrs. Alafoyiannis,

Thank you very much for your kind letter and invitation to receive your highest honour, "The Goddess Artemis Award", at the special Artemis Award Gala in Washington, DC on Thursday, 27th October 2011. Sadly I have previously accepted engagements abroad at that time and would be unable to come. I am deeply honored to be considered for this honor and very sorry for not being able to be present at the Award ceremony.

I would like to send my warmest congratulations to all members and supporters of the "Euro-American Women's Council" and thank them for all the hard and noble efforts they are doing to advance women's plight for professional equality and bridge nations and cultures. I admire greatly your Organisation's work for the cause of women and gender equality and wish you much success in future.

Yours sincerely,

A handwritten signature in blue ink that reads "Katherine".
